About Us

The Karratha & Districts Chamber of Commerce & Industry (KDCCI) has been supporting the local business community for over 30 years. As a not-for-profit, member-based organisation, we are committed to fostering a thriving business environment by **connecting** businesses, **advocating** on their behalf, **promoting** local enterprises, and **supporting** growth through training and services. We also focus on ensuring the long-term stability and **future** success of both our organisation and the businesses we serve.

Our mission is to be the essential business partner for Karratha and the surrounding districts. Guided by our core values, we champion local businesses, provide timely and relevant information, act with courage and integrity, adapt to changing needs, and empower our members to build capability and resilience.

At KDCCI, we are more than just a chamber—we are a dynamic force driving the success of businesses and the broader economic growth of the Pilbara region.

About The Event

Business Excellence Awards

The KDCCI Business Excellence Awards is Karratha's premier celebration of local business success.

Since 2007, this annual gala has recognised the region's most dynamic companies, innovative leaders, and thriving enterprises.

For sponsors, it's a unique opportunity to align with excellence, engage directly with influential business owners and community leaders, and showcase your commitment to Karratha's economic growth. Sponsorship packages can be tailored to include logo placement, brand recognition, event participation, and networking opportunities.

The 2026 Awards promises a prestigious gala dinner, making it the Pilbara's must-attend corporate event. Categories celebrate businesses of all sizes, innovation,

sustainability, community impact, and outstanding individuals, including the People's Choice Award.

Supporting the KDCCI Business Excellence Awards highlights your belief in the power of local business and positions your brand at the heart of the region's thriving business community.

Event Objective

Celebrate and Recognise Business Excellence

The primary objective is to acknowledge and celebrate the outstanding achievements, innovation, and entrepreneurial spirit within the Karratha business community. This reinforces a culture of excellence and inspires others to strive for similar success.

Promote Business Development and Improvement

The awards program should encourage businesses to participate in a self-assessment process. By providing robust criteria and offering resources like workshops and consultations, the event aims to equip businesses with tools and insights for growth and improvement.

Foster Networking and Community Building

The Business Excellence Awards can serve as a platform for businesses to connect, share best practices, and build relationships. This fosters a more collaborative and supportive business environment within the Karratha community.
